Dialogue with your soul in a 3-D form through soul scenes you create from a collection of miniature at the SandWorks® Studio. Through Paula's unique facilitation discover the personal power symbols to manifest deepest desires and dissipate those negative beliefs, thoughts and behavior keeping you from attaining your dreams and heart's desire.

Discover Sedona's Secret Sites, stretch and meditate on its vortexes and listen to nature speaking and answering the calling of your soul in its quest for you *to know thyself*. Kallista will gently guide you.

When the soul speaks, and you listen, doors open...

**"What you may think is childish play may in fact contain The Answer
